Staff Report

Origin

The City has received an application by Wang Leung Leung & Ming Shuen Leung to Rezone 5211/5231 Lapwing Crescent from Single-Family Housing District, Subdivision Area E (R1/E) to Two-Family Housing District (R5). The Rezoning would accommodate the sale of the existing, older strata titled duplex which was legally built on the property. The site location is shown in **Attachment 1**.

The owner has submitted a letter (see **Attachment 2**) confirming that the properties will only be used as a two-family dwelling with one family in each property.

Findings of Fact

Item	Existing	Proposed
Owner	Ming Shuen Leung and Wang Leung Leung	Same
Applicant	Ming Shuen Leung and Wang Leung Leung	N/A
Site Size	5211 Lapwing Cr. and 5231 Lapwing Cr. combined: 899 m ² (9677.07 ft ²)	Same
Land Uses	Residential	Same
OCP Designation	Neighbourhood Residential	Same
Area Plan Designation	Single-Family	Same
Zoning	R1/E	R5
Parking Required	2.0 / Dwelling Unit	Same
Parking Actual	2.0 / Dwelling Unit	Same

The subject properties are located on the northeast corner of Lapwing Crescent and Kestrel Drive in Section 1 of 3-7. All of the surrounding lots in the immediate vicinity of the subject property are large lots, zoned R1/E. In the larger area context, there are five existing lots on Merganser Drive, Lapwing Crescent and Kestrel Drive with Two-Family Dwelling District (R5) zoning.

Staff Comments

Policy Planning

The owner has confirmed that the property is not currently being used as a fourplex and has agreed to register a covenant to this affect as a condition of Rezoning. No other concerns.

Permits Review

No objections to the Rezoning from R1/E to R5 (the existing duplex on the lot would conform to the R5 zoning requirements).

Engineering Works/Design Review

No Development Application Section concerns. There is no need for any frontage upgrades.

Analysis

The current owner of the subject site expects that the future use of the property will continue as a Two-Family Dwelling. The proposed Rezoning permits the current uses to become conforming uses.

Financial Impact

None

Conclusion

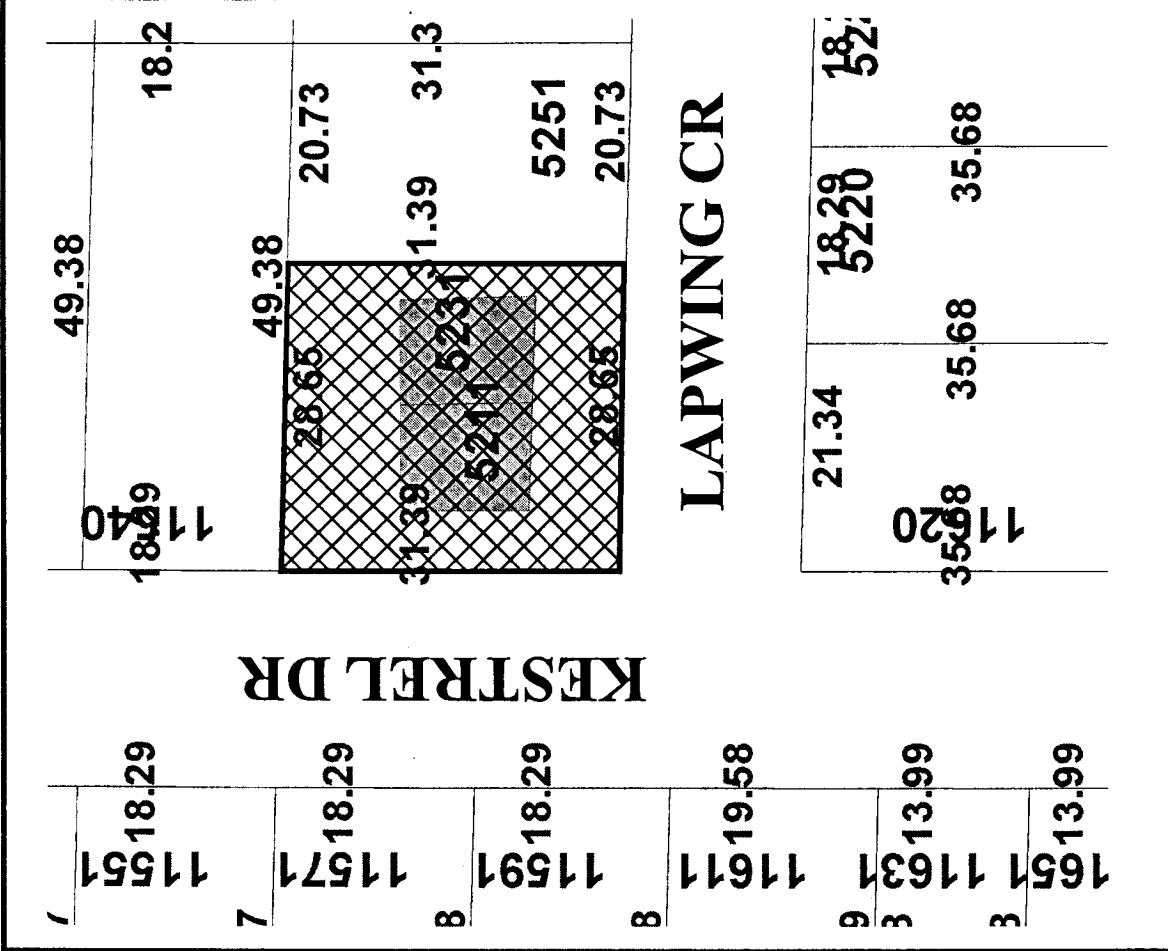

Staff have reviewed the proposed Rezoning intended to accommodate the existing strata titled duplex on the property. All relevant concerns appear to have been addressed leaving staff in support of the proposed Rezoning.

There are requirements to be dealt with prior to final adoption:
Legal requirement, specifically, a covenant to restrict the uses to one family per dwelling.
