Attention: Richmond City Clerk Department

Pacific Community Resources Society (formerly Nisha Family and Children's Service Society) is a non-profit society incorporated since 1984. We provide numerous services for children, youth and their families. During the July and August of 2002, we conducted a survey involving drug use and youth in the lower mainland. This survey was conducted by youth researchers along with our prevention staff members. Specifically, the survey researched drug use in the Vancouver, Delta, Surrey, Langley, Burnaby, New Westminster, Maple Ridge and Pitt Meadows areas.

Pacific Community Resources is interested in presenting this study to your council at one of your up-coming council meetings. It is my understanding that your council meets every second and fourth Monday at 7:00pm. We look forward to presenting to City Council and would like to present as soon as possible.

If you need further information, please contact me at the below number.

Sincerely,

Shannon Smith
Community Prevention Coordinator
